

FILKINS VILLAGE SHOP

Our village shop has been in existence since 2005. Staffed by volunteers and run not for profit, our shop is something that we feel immensely proud of.

During the pandemic, the shop provided a lifeline for many, and now with the cost of living spiralling, fuel costs mounting and budgets stretched more than ever, we hope that we can continue to provide a service.

As our running costs increase, we would be delighted if you continued to make our village shop a part of life!
Or as Alan and Hilary might say, "Use it or lose it!"

We stock Kelmscott sausages, Mustard Food frozen dishes, homemade brownies, fresh vegetables, sourdough bread, along with croissants and buns from Blakes Bakery. In addition, look out for a new and exciting wine offer on the horizon!

We've tried to appeal to everyone. And of course, we always stock those last minute essentials that might be missing from your kitchen cupboard!

Above all, the village shop is your village shop and we can only exist if you drop in and support us.

If you're new to the village, why not buy a share in the shop for £10?

If there are items that we could stock, do let us know.
If you have any other suggestions that might tempt you in, get in touch. We're listening!

And if you've never visited the shop, do pop in.
We'd love to see you!
