

FILKINS & BROUGHTON POGGS PARISH COUNCIL

Recruitment and Selection Policy

\

1. Introduction

The intention of the recruitment policy is to ensure that the Parish Council can attract and retain high calibre Employees into its job vacancies. It aims to attract the widest possible response to any employment vacancy. The Parish Council will take positive steps to advise minority groups of all vacancies and of its Equal Opportunity Policy. The Parish Council recognises the advantages of recruiting individuals with specialist knowledge and experience of local needs.

The selection process is of crucial importance in this policy and must, therefore, be carried out according to objective, job-related criteria. The Parish Council will ensure that, through appropriate training, people making selection decisions will not discriminate, whether consciously or unconsciously, in making these selection decisions.

2. Core Principles of the Recruitment and Selection Policy

2.1 The Clerk is responsible for Employee recruitment in conjunction with the Parish Parish Councillors.

The Recruitment and Selection Policy will be implemented with regard at all stages to the Parish Council Equal Opportunities Policy, the Equality Act 2010 and subsequent legislation. All persons involved in the recruitment process will be made aware, through training, of the above legislation and its implications.

2.2 All stages of the selection process will focus on the needs of the job and the skills needed to perform effectively.

2.3 The Clerk and Elected Parish Parish Councillors will ensure that questions they ask job applicants are not in any way discriminatory or unnecessarily intrusive.

2.4 All candidates with a disability that meet the minimum selection criteria will be invited to an interview. It is the Parish Council's practice to seek the successful candidate's consent to seek two written references and to ask for documentary proof of qualifications.

3. Recruitment and Selection Process

3.1 Before embarking upon the selection process, the Clerk should have recruitment authority from the Parish Council, an updated job description and an accurate person specification.

3.2 Prior to seeking Parish Council approval to advertise, the level of remuneration will be considered by Staffing Committee, and a recommendation made to Parish Council.

3.3 Advertisements will be placed appropriately to allow maximum exposure to all sectors of the community.

3.4 Candidates invited to interview where possible will be given at least one week's notice.

3.5 All letters sent to unsuccessful candidates will be issued as soon as practicably possible after the decision has been made. Reserve candidates may be kept 'on hold' for a period of time, and should be notified of the delay in finalising the outcome of their application.

3.6 Job Description

- Each job will have an up to date job description that accurately reflects the job requirements;
- Job descriptions should be written in a clear and concise manner in the agreed Parish Council format;
- Job descriptions should be reviewed and discussed prior to the commencement of the recruitment action;
- Where appropriate the equal rights dimension of service provision should be included;

3.7 Person Specification

- A person specification will be prepared for every job description reflecting the skills and qualities required to undertake the job;
- Personnel specifications should be reviewed prior to the recruitment action. A standard format together with guidance on usage will be issued separately;

3.8 Criteria contained in the specification should be strictly relevant to the requirements of the job. The criteria should not be unnecessarily restrictive so as to exclude particular disadvantaged groups, since this may be viewed as indirect discrimination and therefore unlawful;

3.9 All stated requirements must be clearly justifiable in terms of the principal function of the job vacancy, literacy, numeracy, qualifications, age and educational level achieved;

4. Attracting a Field of Applicants

4.1 Publicity material must reflect the Equal Opportunity Policy;

4.2 Advertisements should be approved by the Parish Council prior to being circulated in the public domain;

4.3 Where necessary, use should be made of the ethnic minority press;

4.4 Advertisements must be clear and unambiguous, so that applicants will be able to determine their own suitability.

5. Application Forms

5.1 Only Parish Council application forms should be used for recruitment purposes which should include a section on equality monitoring

5.2 Assistance should be offered to candidates to complete any sections of the form if required;

5.3 Information on application forms must be transferred to the recruitment monitoring forms;

6. Short listing

6.1 Short listing must only be based on the information contained in the application form and any covering letter using the job person specification and the job description elements as the criteria;

6.2 The criteria for short listing must be consistently applied to all applicants;

6.3 The application form should not be used as a test of literacy unless a high standard of literacy is required as a genuine requirement of the job;

6.4 If academic qualifications are one of the criteria for initial selection they should not be unnecessarily high for the particular job.

6.5 Assumptions must not be made about the standard of overseas qualifications;

6.6 There should be no unnecessary or unreasonable restrictions on the numbers to be short-listed;

6.7 Any disabled applicant that meets the minimum requirements for the job should be short-listed;

6.8 Reasons for not meeting the shortlist must be recorded for incorporation within the monitoring process;

6.9 Original copies of educational/academic/qualification certificates or documents should be brought to interview.

7. Selection Interview

- 7.1 All people responsible for short listing and interviewing should receive training in the appropriate techniques, and such training should include the equal opportunities dimension. No selection interview shall take place without someone who has received such training and is aware of the relevant legislation, in attendance;
- 7.2 At least three people should sit on an interview panel;
- 7.3 Interviewers must keep adequate notes of the interview in order to be able to make a fair comparison between candidates. This will be recorded on an interview report form;
- 7.4 In determining whether or not a candidate is to be progressed to the next stage, interviewers may only consider factors relevant to the job requirements. If for any reason a candidate does not possess a certain requirement for a job, but is nevertheless short listed for interview, the candidate should not be subsequently declined solely on the grounds of not possessing that requirement.
- 7.5 Reasons for unsuccessful candidates should be recorded for incorporation into the recruitment monitoring process;
- 7.6 If any member of an interview panel feels that discrimination has occurred in the selection process, the matter must be reported immediately to the Chair of the Panel/Parish Council. No selection decision should be made until the issue is resolved.
- 7.7 Informal interviews must not take place unless they are clearly part of the approved or agreed selection process for all short listed candidates.

8. Letters of Appointment

- 8.1 Appointment letters should contain the following statement: "As an Employee of the Parish Council you will be required actively to pursue the Parish Council's policies on Equal Opportunities and Race Relations and to undergo any training associated with this";
- 8.2 The appointment letter should also be accompanied by a copy, which the applicant is required to sign and return to indicate acceptance of the job offered, and which is retained in the personal record. This should include the following: "I have read and understood the Parish Council's Equal Opportunity Policy, and acknowledge that the offer of employment is made subject to my agreement actively to pursue that policy during the course of my employment and to undergo any training associated with this";
- 8.3 Reasons for non-selection should be given to candidates if requested. The reasons will be those stated on the recruitment monitoring form;
- 8.4 All appointments will be subject to receiving two satisfactory references, one of which must be from the most recent Employer or educational institution. If satisfactory references are not received, the Parish Council may terminate the employment relationship.

9. Records

All records of job applicants and interview notes should be kept for a minimum of 12 months. These must be held in accordance with the Data Protection Act 1998, which requires records to be accurate and stored confidentially.

10. Monitoring

The Clerk is accountable for the Recruitment and Selection Policy. The Clerk will monitor the implementation and effectiveness of the policy and provide regular monitoring reports to the Parish Council.
