

RAF Brize Norton will be undertaking essential maintenance to its runway, which is currently planned to commence on Friday 20 March until Sunday 3 May 2020 (weather dependent).

The work will be undertaken on Friday and Saturday nights between the hours of 1900 - 0700 hrs.

RAF Brize Norton would like to apologise in advance for any disturbance caused to our neighbours, we take our responsibilities to the local community very seriously indeed and would prefer not to cause any disturbance to those on the ground.

We will provide you with regular updates as this work progresses, and we thank you for your continued support.
