

Filkins & Broughton Poggs Gardening Club

In October the Filkins & Broughton Poggs Gardening Club completed the planting of the Daffodils on Gassons Green - A huge thank you to all those who attended and for their invaluable help, it certainly was a case of more hands make light work ! Well done !

The area planted, there is the 'ride' being the long stretch of grass from the Carterton end to the crossroads and then the two borders in front of the Copse, actually at the crossroads end.

Our new curate also offered a prayer on the Sunday at the Harvest Festival Service to help the bulbs grow ! so it's now down to the weather and hopefully we should see in the Spring the result of our efforts.

Again, huge thanks to all those who have contributed in one way or another.

All done! We look forward to a wonderful display in the spring!

And a reminder – residents of Filkins & Broughton Poggs over the age of 18 are welcome to join the Garden Club. Contact our Membership Secretary, Julie Tridgell on julietridgell@outlook.com
